

Mythos 6'x8'

Hobby Mythos DIY Greenhouse with Multiwall Polycarbonate Glazing

Overview

So Clean, so Simple, so Wise. Mythos DIY greenhouse combines smart and clean design to create a simple assembly and improved functionality. The panels slide into its aluminium frame and are locked without any additional parts. Mythos DIY greenhouse includes a galvanised steel base and hinged door. Multiwall Polycarbonate panels maintain a well balanced temperature and sunlight for sensitive plants.

Main Benefits

- *Virtually unbreakable Multiwall Polycarbonate Greenhouse*
- *Maintains ideal temperature and moderates exposure to sunlight*
- *Sliding panels assembly system – no glazing locking parts are needed*
 - *Rust resistant natural silver*
 - *Over 70% light transmission*

Typical Applications

- *Home gardening*
- *Fresh spices greenhouse*
